1 Shapes and Space

Inside - Outside

The Arab and his Camel.

It was a cold winter day. The was travelling on the back. At night, the pitched his tent and went inside it. The was outside.

Teachers Note

Refer to page no. 136 to develop understanding of shapes and space.

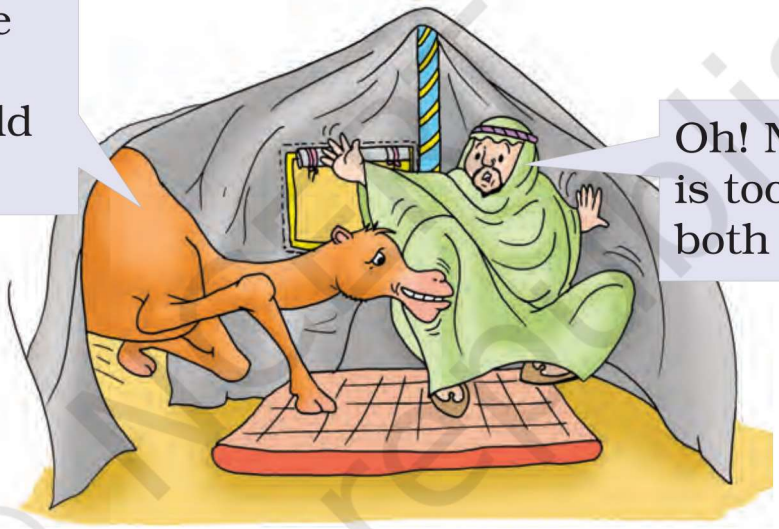
May I put my front legs inside? It is too cold outside.

Okay! You may put your front legs inside.

Can I come inside? It is too cold outside.



Oh! No the tent is too small for both of us.

So I am coming inside and you go outside.

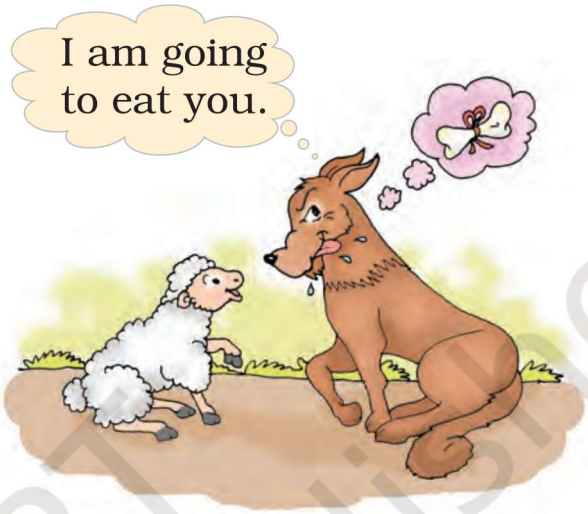
Wise Grandmother

Once there was a Lamb going to see his grandmother.

On the way, through the jungle he met a wolf.

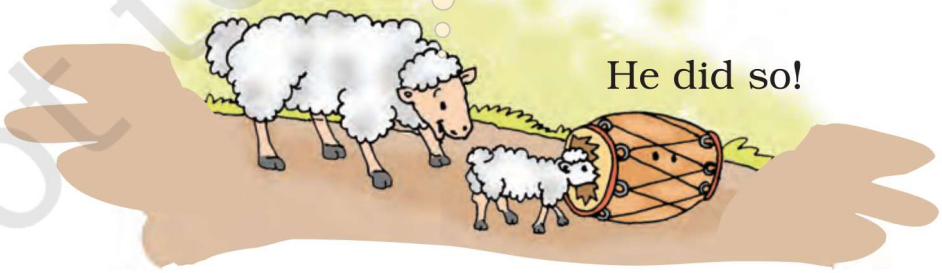


Please let me go! I am going to meet my grandmother. You can eat me when I return.

When he was about to return, he told the grandmother about the wolf.

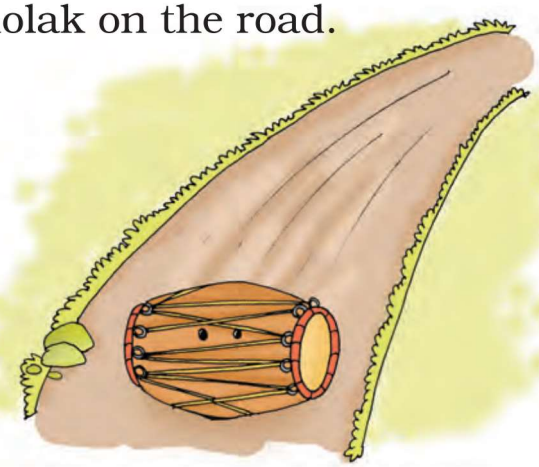
The grandmother gave him an idea.

Go, and hide yourself in a dholak.



© NCERT not to be republished

The grandmother rolled the dholak on the road.



The dholak started rolling down.

The lamb saw the wolf waiting for him.

The wolf grew suspicious and started running behind the dholak.

Before the wolf could catch him, the lamb reached home and was thankful to his grandmother.
